### Property Management

#### Imperial Realty provides a hassle-free property management service that makes investing in your property easy.

Owning and managing an investment property can be a costly and time-consuming process. Our mission is to ensure that you get the best return out of your investment.

Our approach to property management is simple and straightforward. Here is our commitment to you:

- We provide a realistic rental appraisal.
- We understand a vacant property costs you money. We are here to help you secure a good tenant fast by conducting more frequent open homes (twice a week) and assist you with tenant selection.
- We conduct a routine inspection every 6 months. Inspection report is then delivered to you and your tenant within 48 hours.
- We conduct annual rental income review to make sure your rental income is up to date with the current market.
